### 3. Read the paragraph.

Hi, I'm Emily. I'll talk about my best friend, Esra. We became friends five years ago. And now, we are best friends forever. I really love her so much and our relationship.

Esra is the same age as me. We are both 12 years old. She is medium-height and beautiful girl with brown eyes. She is one of the most popular and successful students at school.

The answer of why I love her isn't simple. There are a lot of things to mention. First of all, she is trustworthy. That is what I like most about her. You can share anything you want. That's why your secrets are in safe hands. If she is available, she never refuses to help. She also supports me. We back each other up. I have great confidence when she is on my side. Everybody loves her, so do I.

She knows how to enjoy her life and herself. It is impossible to get bored while being with her. We have lots of things in common. As an example, we walk to school together in the mornings. During and after school, we never miss seeing each other. I can't imagine any day that I don't spend with her. She makes jokes and I find her jokes amusing.

At the weekends, we love going out with friends. Sometimes we see a movie at the cinema. We both enjoy science fiction and comedy films. We also play basketball. I am better than her when it comes to basketball, but playing basketball with her makes me really happy. If the weather is nice, we certainly have picnic.

#### a) Mark the statements True or False

1. ....Emily and Esra get on well each other. ( )
2. ....Esra doesn't want to help others. ( )
3. ....To Emily, Esra is a regular person just like the others. ( )
4. ....Esra's characteristic feature is more important to Emily than her appearance. ( )
5. ....Esra isn't good at keeping secrets. ( )

## DESCRIBING A PROCESS

### Use

We use **"First"**, **"Then"**, **"Next"**, **"After that"**, **"Finally"** to tell the order of events when talking about a process.

Bir süreçten bahsederken, olayların sıralamasını göstermek için **"First"** (İlk önce), **"Second"** (İkinci olarak) **"Then / Next"** (Sonra), **"After that"** (Ondan sonra), **"Finally"** (Son olarak) kullanırız.

ex. To cook pasta, **first**, put some water into a saucepan and boil it. **Then**, put the pasta into the water and cook it about ten minutes. **Next**, add some salt to the pasta. **After that**, drain the pasta with a strainer and put it onto a plate. **Finally**, serve it with some tomato sauce or cheese.
